Dear Rt Hon Michael Gove MP,

**Housing Infrastructure Fund: Ash Road Bridge, to unlock housing near
Ash and Tongham, for £10 million.**

I am pleased to confirm we will be supporting the above developments in your constituency.

I welcome your support on this scheme and the wider plans for growth in your constituency as evidenced in your bid. I am pleased that this funding will help provide the infrastructure your community needs to drive housing delivery.

We are still considering Forward Funding schemes to take through co-development and will be informing areas in the coming weeks. All bids will be subject to final funding clarifications.

We are keen to support areas with high housing need, and this will form a key part of Homes England's new role as a strengthened delivery agency.

RT HON SAJID JAVID MP
